Report of Principal and School Improvement Council

The 2013-2014 school year at HPMS was an exciting year with continued growth. The students performed well academically, and the HPMS community worked together to accomplish many successes:

Seven of our 8th grade students were recognized as SC Junior Scholars.

Twenty-two 7th grade students qualified to test for placement in Duke University's Talent Identification Program.

Students in grades 5-8 participated in a number of service activities totaling over 2,300 hours of service.

Nineteen students received the Presidential Award for Service Learning: 6 received the gold award, 2 received the silver award, and 11 received the bronze award.

Honor Band received a Gold Standard placement at a band competition held in Atlanta, GA.

Three of our 7th grade students swept 1st, 2nd, and 3rd place in the Anderson Soil & Water Conservation District's essay contest.

A 7th grade student was awarded a Certificate of Merit from the South Carolina Academy of Science.

An 8th grade student received the Cory White Diversity Award sponsored by the Anderson County Human Relations Council.

An HPMS teacher won first place in the nation in the National Career Development Association poster contest (adult division).

HPMS students amassed more than 13,000 points in the school's Accelerated Reader Program.

HPMS's 2013-2014 Teacher of the Year was Mrs. Anjie Smith. Mrs. Robin Ritland was selected to serve as HPMS Teacher of the Year for 2014-2015.

The staff has been busy with the improvement of instruction as we begin our seventeenth year as a Standards Based Curriculum School. Our goal of maintaining and improving our PASS scores will be addressed in a variety of ways: a 21st Century Grant that enables us to provide Merit Academy (after-school program for at-risk students); SuccessMaker Labs; programs that continue to help improve academic skills; and technology upgrades, including 32 new iPad minis, that aid in classroom instruction. The transition to Common Core State Standards has also been a priority in our math and english classes for the 2013-14 school year.

We appreciate the support of our School Improvement Council and Business Partner. We wish to express our thanks to the continued support from our parents, local industry, businesses, and community. Together we are building a brighter future and opening the door for a new century of progress.

Matthew Schult, Principal

Mandy Vinson, School Improvement Council Chair

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: http://ed.sc.gov/data/esea/ or request this information from your child's district or school.

Overall Weighted Points Total	90.4
Overall Grade Conversion	Α

Index Score	Grade	Description
90-100	Α	Performance substantially exceeds the state's expectations.
80-89.9	В	Performance exceeds the state's expectations.
70-79.9	С	Peformance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Honea Path Middle has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
